

## **Hafa Adai Owners and Residents of Paradise Estates,**

**Your home is your castle...or is it?** Is your home really safe once you leave for work or school? Your home is considered a sanctuary where you should feel safe. Your home is the only environment where you have control over who can get close to you or your family. Protecting your home and family from criminal intrusion should be high on your list of priorities.

This is why we G4S understand and take pride in the security service we provide to you and your loved ones. By entrusting G4S we will use our expertise and professionalism to secure your home and surroundings.

Please apply these helpful tips to enhance your security and safety experience at home:

- First and foremost be "PROACTIVE"
- Report suspicious vehicles and people roaming around the sub-division to G4S 24- hour hotline which is our central monitoring station (CMS) at 646-5731. Please be detailed.
- Do not take the law into your own hands! Report criminal activity directly to GPD by dialing 911.
- Use a quality, heavy-duty, deadbolt lock with a one-inch throw bolt
- Place security bar or "Charlie Bar "between sliding doors and doorjams and windows.
- Get to know all your adjacent neighbors
- Invite them into your home and establish trust
- Agree to watch out for each other's home
- Do small tasks for each other to improve territoriality
- While on vacation - pick up newspapers, and flyers
- Offer to occasionally park your car in their driveway
- Return the favor and communicate often
- Use interior light timers to establish a pattern of occupancy
- Exterior lighting should allow 100- feet of visibility
- Use good lighting along the pathway and at your door
- Use light timers or photo-cells to turn on/off lights automatically
- Use infra-red motion sensor lights on the rear of single family homes
- Alarm systems are effective deterrents with visible signage
- Alarm systems to be properly installed, programmed, and maintained
- Alarm systems need to have an audible horn or bell to be effective
- Make sure your alarm response call list is up to date
- Instruct your neighbor how to respond to an alarm bell

Apply these simple proactive safety measures and you can save yourself from most unnecessary incidences. Thank you for choosing G4S Security Services (Guam) Inc. for your security needs.
